TEXAS A&M UNIVERSITY

GYS4D Initiative

Our Mission

Primary Mission: To meet the spiritual, physical, and educational needs of international children & youth through sport, curricular, and mentoring programs customized to meet the distinct needs of each partner site.

Secondary Mission: To provide international student athletes with the education, sports, and life skills training to provide the opportunity to attend high quality universities in the US and other locations.

Youth Sport Programs

GYS4D Initiative

Youth Leadership Camps

Objectives

- To cultivate long-term partnerships with like-minded Organization who share our common goals and objectives.
- To develop responsible athletes with an understanding or core life lessons such as responsibility, respect, leadership, sportsmanship inclusion and teamwork.
- Give more young children to participate in activities that will help to improve their physical, emotional, and psychological health.
